Core Curriculum

The Slow Path to Proficiency

Language specific courses start with the prefix "PY" for Python, "RB" for Ruby, "JS" for JavaScript, and "TS" for TypeScript. Courses that are in multiple tracks start with the prefix "LS". To learn more about the tracks, read this note

Python Ruby Javascript

Preparatory Work

Course No.	Name	Prerequisite	Status
LS95	Orientation		Completed
PY100	Programming & Back-end Prep with Python	LS95	Completed

Programming and Back-end Development

Course No.	Name	Prerequisite	Status
PY101	Programming Foundations with Python: Basics	PY100	Completed
PY109	Assessment: Programming Foundations with Python: Basics	PY101	Completed
PY110	Programming Foundations with Python: Intermediate	PY109	Completed
PY119	Assessment: Programming Foundations with Python: Intermediate	PY110	Completed
PY120	Object-Oriented Programming with Python	PY119	Completed
PY129	Assessment: Object-Oriented Programming with Python	PY120	Completed
PY130	More Python Foundations	PY129	Completed
PY139	Assessment: More Python Foundations	PY130	Completed
LS170	Networking Foundations	RB139 OR JS139 OR PY139	Completed
LS171	Assessment: Networking Foundations	LS170	Completed
PY175	Networked Applications with Python	PY139 AND LS171	Completed
LS180	Database Foundations	RB175 OR JS175 OR PY175	Completed
LS181	Assessment: Database Foundations	LS180	Completed
PY185	Database Applications with Python	LS181 AND PY175	Completed
PY189	Assessment: Networked and Database Applications with Python	PY185	Completed

Front-end Development

Course No.	Name	Prerequisite	Status
LS202	HTML and CSS	LS171	Completed
JS210	Fundamentals of JavaScript for Programmers	RB189 OR PY189	Completed
JS211	Assessment: Fundamentals of JavaScript for Programmers	JS210	Completed
LS215	Computational Thinking and Problem Solving	JS211 OR JS189	Completed
LS216	Assessment: Computational Thinking and Problem Solving	LS215	Completed
JS225	Object Oriented JavaScript	LS216	In progress
JS229	Assessment: Object Oriented JavaScript	JS225	Not started
JS230	DOM Manipulation & Browser Events	JS229 OR LS216 AND JS189	Not started
JS235	Asynchronous JavaScript & APIs	JS230	Not started
JS239	Assessment: DOM & Asynchronous Programming with JavaScript	JS235	Not started
